Honorable Lynn Millin-Maduro
Commissioner
Department of Property & Procurement
Sub Base - Building No. 1, 3rd Floor
St. Thomas, USVI 00802

RE: Governor's Residence Security Fencing Construction at No. 23-9 Est. Mafolie - St. Thomas, USVI.

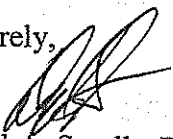

Dear Commissioner Millin:

Resubmitted herewith for bidding purposes are Ten (10) sets of Plans and Specifications, along with the Engineer's Estimate (PS&E) for the above referenced project.

At present, this Department does not have the necessary resources to undertake the construction of a project of this nature. Therefore, a private contractor should be procured. The project is funded by the Public Finance Authority (PFA); and subsequently, the appropriate correspondence from PFA will be forwarded to your office.

Please contact Francisco Nadal, District Engineer, or Haldor Farquhar, Project Engineer, at 776-4844 extensions 242/240 respectively, should you have any questions and/or concerns.

Sincerely,

Darryl A. Smalls, PE
Commissioner
